

Cornerstone Specialty Wood Products, LLC provides layout and design assistance with cost competitive products, and numerous metal decking options for structural metal platforms or pick module needs.

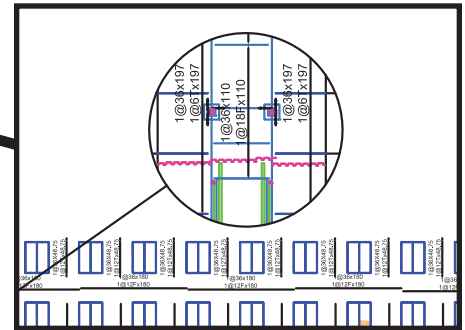

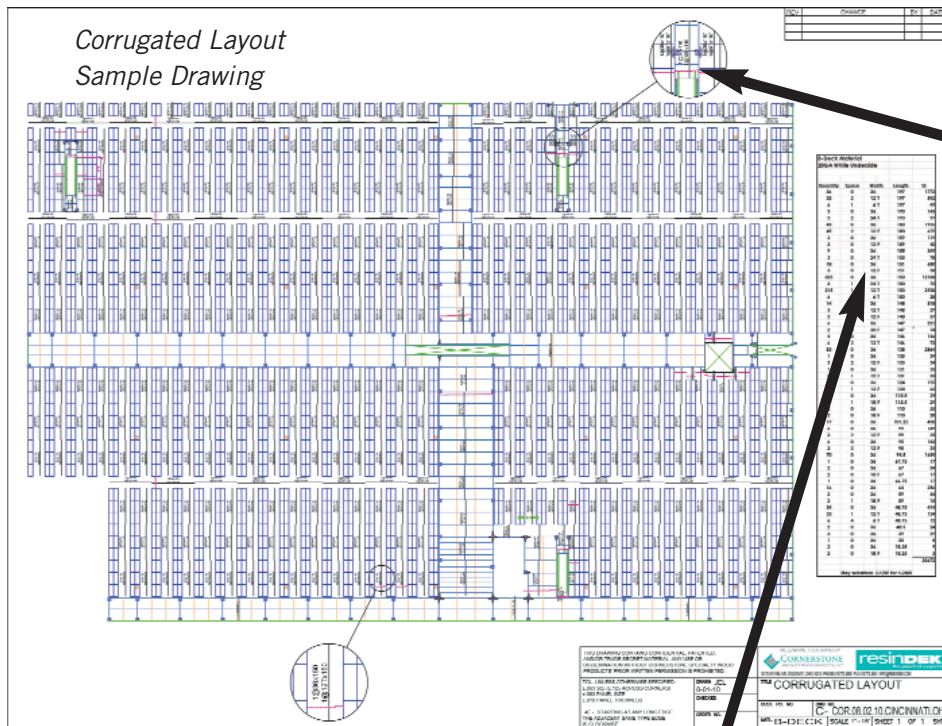

Corrugated metal deck products are available in a variety of gauges and finishes.

The Cornerstone Specialty Wood Products Engineering Team takes the guesswork out of your layout designs, and adds value by optimizing sizes, runs, and beam spacing for metal decking with ResinDek® products.

With a variety of profiles for your specific design requirements, we help you to find the best solution for your specific project.

Cornerstone Specialty Wood Products Corrugated Metal Decking

CAD layout drawings include separate decking layers for quick and easy to read details.

Cornerstone Specialty Wood Products' Installation Drawings are provided at time of purchase order placement and include the following:

- Detailed Bill of Materials
- Tag Identification System
- Location & placement of the B Deck and ResinDek® panels

These reliable Installation Drawings are included with every bundle of materials shipped to your jobsite to eliminate guesswork and keep the job on schedule.

Mezzanine B Deck Load Tables and Properties on back.

All of Cornerstone Specialty Wood Products' CAD layouts include a job specific itemized quote for:

- B Deck products
- Fasteners
- Freight
- ResinDek® products

\* Transition plates can be provided and are estimated on every project.

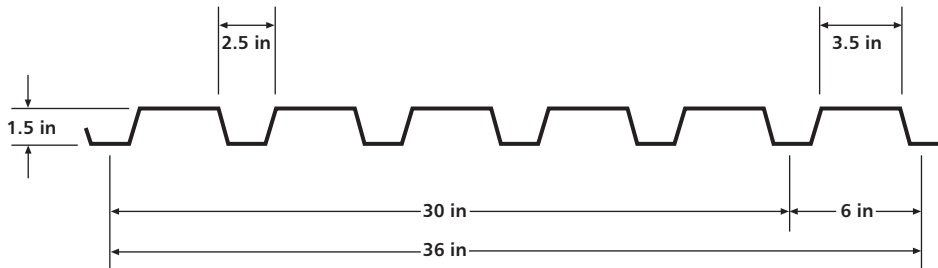

Quantity	Spare	Width	Length	SF
36	0	36	197	1773
33	2	12 T	197	542
6	1	6 T	197	49
3	0	36	193	145
3	2	24 T	193	97
43	0	36	180	1935
45	2	12 F	180	675
3	0	36	159	119
3	0	12 F	159	40
9	0	36	155	349

Cornerstone Specialty Wood Products recommends that a minimum of 20 gauge metal B Deck be used on all ResinDek® flooring projects and 18 gauge when live and dead loads are 2,500 lbs. or greater.

The following load tables provide additional details for 1.5" B Decking:

### Mezzanine B Deck 1.5" Allowable Uniform Total Load Per Square Foot

Number of Spans	Gauge	36"	42"	48"	54"	60"	66"	72"	78"	84"	90"
Single	22	284	209	160	126	95	74				
Single	20	352	259	198	157	120	92	73			
Single	18	400	352	270	213	167	128	101	81		
Single	16	400	400	342	269	212	162	127	102	84	70
Double	22	270	211	162	129	105	87	73			
Double	20	349	260	200	159	129	107	93	79		
Double	18	400	348	269	213	174	144	123	104	90	
Double	16	400	400	344	273	222	183	154	131	113	99
